

**SUPPORTIVE CARE  
IN ONCOLOGY:**  
BEST WORLD PRACTICES

**08:00 – 09:00**

**REGISTRATION**

**09:00 – 09:40**

**OPENING**

Greetings

**prof. Matti Aapro**

President of the European Cancer Organization (ECCO), Ex-President of the Multinational Association of Supportive Care in Cancer (MASSC), Member of the Executive Committee of the Multidisciplinary Oncology Institute of the Genolier Clinic (Switzerland), Co-Founder of the Russian Society of Supportive Care in Oncology (RASSC)

**prof. Rajesh Lala**

DDS, PhD, Ex-President of the Multinational Association of Supportive Care in Cancer (MASSC), Department of Oral Medicine, University of Connecticut Health Center (USA)

**prof. Paolo Bossi**

President of the Network Italiano Cure di Supporto in Oncologia (NICSO)

**Anton Snegovoi**

Chairman of the Russian Society of Supportive Care in Oncology (RASSC)

**Eduard Vozny**

Honorary Member of the Russian Society of Supportive care in Oncology (RASSC)

Hall **TRETYAKOV**

Hall **MOROZOV**

**09:40 – 11:20**

**The World Best Practices**

**of Supportive care in Oncology**

**Chairman: I. B. Kononenko**

Ph.D. of Medical Sciences, Executive Director of RASSC, Head of the Day Patient Department for Drug Treatment of Tumors, Research Institute of Urology and Interventional Radiology named after V.I. N. A. Lopatkina – a branch of the Federal State Budgetary Institution National Medical Radiology Research Center, Ministry of Health of Russian Federation, Moscow

**A. I. Nesterova (Khasanova)**

Ph.D. of Medical Sciences, Head of the Department of Chemotherapy, University Clinic of Kazan Federal University, Oncologist, Autonomous Public Health Care Institution Republican Clinical Oncological Dispensary, Ministry of Health of Russian Federation (Russia, Kazan)

**09:40 – 10:00**

**Interstitial Lung Disease**

**Prof. Matti Aapro**

President of the European Cancer Organization (ECCO), ex-president of the Multinational Association of Supportive Care in Cancer (MASSC), member of the Executive Committee of the Multidisciplinary Cancer Institute of the Genolier Clinic (Switzerland), co-founder of the Russian Society of Supportive care in Oncology (RASSC)

**09:40 – 11:20**

**Cardiooncology is a New Challenge**

**of Our Time**

**Chairman: U. A. Vasyuk**

Dr. habil, Professor, Honored Employee of the Russian Federation, Honored Employee of the Higher School of the Russian Federation, Laureate of the Prize of the Government of the Russian Federation in Science and Technology, Head of the Department#1 of Hospital Therapy, Academic Secretary of Evdokimov University

**09:40 – 10:00**

**Prevention, Diagnosis and Treatment  
of Cardiotoxicity of cancer treatment:  
for Whom, When and Why?**

**U. A. Vasyuk**

Dr. habil, Professor, Honored Employee of the Russian Federation, Honored Employee of the Higher School of the Russian Federation, Laureate of the Prize of the Government of the Russian Federation in Science and Technology, Head of the Department#1 of Hospital Therapy, Academic Secretary of Evdokimov University

**Co-authors: E. O. Novosel, D. A. Vyzhigin**

Assistants of the Department#1 of Hospital Therapy, Evdokimov University

10:00 – 10:20

**Recommendations and Modern Approaches in the Treatment of Mucositis**

Prof. Paolo Bossi

President of the Network Italiano Cure di Supporto in Oncologia (NICSO)

Questions and answers

10:20 – 10:40

**Supportive care-progresses around the world**

Prof. Florian Scotte

MD, PhD, Oncologist at the Georges Pompidou European Hospital, Head of the Multinational Association of Supportive Care in Cancer (MASSC) at the Oncology Department of the Georges Pompidou European Hospital (Paris, France)

Questions and answers

10:40 – 11:00

**Fatigue in Oncological Patients**

Prof. Carla Ripamonti

MD, Consultant, Joint Center for Cancer Pain Management of the World Health Organization (WHO), Member of the Steering Committee of the Research Network of the European Association for Palliative Care, Deputy Director of the School of Training and Renewal in Palliative Medicine, National Cancer Institute of Milan, Professor of Palliative Medicine at the School of Oncology, University of Milan (Italy)

Questions and answers

11:00 – 11:20

**Efficacy of Nurse Evaluation by Phone and Intervention for Chemotherapy-Associated Toxicity: A Randomized Multicenter Trial, NICSO Study Findings**

Prof. Andrea Antonuzzo

University Hospital of Pisa, Head of supportive care Group, Co-founder of the Network Italiano Cure di Supporto in Oncologia NICSO (Italy)

Questions and answers

10:00 – 10:20

**Measures for the Primary Prevention of Cardiotoxicity of Antitumor Drugs - a Challenge for Cardiologists and Therapists**

G. E. Gendlin

Dr. habil, Professor of the Department #2 of Hospital Therapy of the Pirogov University, Ministry of Health of the Russian Federation

10:20 – 10:40

**Coronary Complications of cancer treatment: Diagnosis, Treatment and Prevention**

M. G. Poltavskaya

Dr. habil, Professor of the Department of Cardiology, Functional and Ultrasound Diagnostics, Head of the Scientific and Practical Center for Cardio-Oncology of the Sechenov University

10:40 – 11:20

**Discussion**

Hall TRETAKOV

Hall MOROZOV

11:50 – 12:50

## AstraZeneca SATELLITE SYMPOSIUM

### HER2+ Breast Cancer: New Solutions

Moderator: A. V. Snegovoy

Dr. habil, Chairman of RASSC, Professor of the Department of Oncology of the Faculty of Postgraduate Education of the Evdokimov University

11:50 – 12:15

### Evolution and a New Standard of the Efficacy of anti-HER2 Therapy

A. V. Snegovoi

Dr. habil, Chairman of RASSC, Professor of the Department of Oncology of the Faculty of Postgraduate Education of the Federal State Budgetary Educational Institution of Evdokimov University

12:15 – 12:30

### A Clinical Example of Trastuzumab Deruxtecan Therapy of HER2-positive mBC: Efficacy and Tolerability

V.I. Evdokimov

Ph.D. of Medical Sciences, Oncologist, Clinic of Dr. Laskov

12:30 – 12:50

### Safety of anyi-HER2 Therapy

A. V. Snegovoi

Dr. habil, Chairman of RASSC, Professor of the Department of Oncology of the Faculty of Postgraduate Education of the Federal State Budgetary Educational Institution of Evdokimov University

*The section is not accredited in the NMO (scientific medical society) system*

11:50 – 12:45

## SATELLITE SYMPOSIUM "Sotex"

### Anemia in Cancer Patients

Moderator: prof. N. I. Stuklov

Dr. habil, Professor, Chief Researcher of the Department of High-Dose Chemotherapy with a Bone Marrow Transplantation Unit of Moscow Scientific and Research Oncological Institute named after P. A. Hertsen – a branch of the National Medical Research Center for Radiology, Ministry of Health of Russian Federation

11:50 – 12:15

### Anemia in Malignant Neoplasms

N. I. Stuklov

Dr. habil, Professor, Chief Researcher of the Department of High-Dose Chemotherapy with a Bone Marrow Transplantation Unit of Hertsen Scientific and Research Oncological Institute – a branch of the National Medical Research Center for Radiology, Ministry of Health of Russian Federation

12:15 – 12:40

### Modern Approaches to Anemia Correction in Cancer Patients

N. U. Sokolov

Ph.D. of Medical Sciences, Head of Oncological Department of Antitumor Drug Therapy, Botkin Clinical Hospital, Moscow Health Department

12:40 – 12:45

### Discussion

*The section is not accredited in the NMO (scientific medical society) system*

Hall TRETAKOV

Hall MOROZOV

12:50 – 12:55

**Break**

12:55 – 14:45

### Dental complications after combination therapy in cancer patients

Chairman: O. N. Titova

Ph.D. of Medical Sciences, Assistant of the Department of Maxillofacial Surgery and Traumatology, Evdokimov University, Ministry of Health of Russian Federation

12:45 – 12:55

**Break**

12:55 – 14:45

### Practical Aspects of Clinical Guidelines of Supportive Care

Chairman: A. V. Snegovoy

Dr. habil, Chairman of RASSC, Professor of the Department of Oncology of the Faculty of Postgraduate Education of the Federal State Budgetary Educational Institution of Evdokimov University

A. M. Gimranov

Ph.D. of Medical Sciences, Oncologist-Mammologist, Head of the Mammology and Cosmetic surgery Department, Segal Cancer dispensary (Kazan)

12:55 – 13:15

### **Surgical Dental Rehabilitation of Patients during the Remission of Oncological Diseases: Assessment of Treatment Outcomes and Quality of Life**

V.V. Arishkova

Ph.D. of Medical Sciences, Assistant of the Department of Oral Surgery, Evdokimov University, Ministry of Health of Russian Federation

Co-author: E.A. Bazikyan

Head of Department, Honored Doctor of the Russian Federation, Professor, Dr. habil, Dean of Highly Qualified Personnel Training, Evdokimov University, Ministry of Health of Russian Federation, Department of Oral Surgery

13:15 – 13:35

### **Experience in Treatment of Anti-Osteoclastic-Associated Osteonecrosis of Jaws in Oncological Patients**

M. O. Ilyukhina

Assistant of the Department of Surgical Dentistry, Maxillofacial Surgeon, Oncology Department #8

Co-authors: S.I. Kutukova

Ph.D. of Medical Sciences, Maxillofacial Surgeon, Oncology Department #8

I. N. Kalakutsky

Associate Professor of the Department of Surgical Dentistry and Oral Surgery, Head of the Department of Surgical Dentistry and Oral Surgery

A. I. Yaremenko

Dr. habil, Professor, Pavlov University, Ministry of Health of Russian Federation, Department of Surgical Dentistry and Oral Surgery

13:35 – 13:55

### **Special Aspects of Managing Cancer Patients during Drug Therapy in the Clinic of Maxillofacial Surgery**

E.Z. Nazhaeva

Postgraduate student of the Department of Maxillofacial and Plastic Surgery

Co-author: A.U. Drobyshev

Dr. habil, Professor, Head of Department, Honored Doctor of the Russian Federation, Evdokimov University, Ministry of Health of Russian Federation, Department of Maxillofacial and Plastic Surgery

13:55 – 14:15

### **Secondary Plastic Surgery of the Facial Nerve in Cancer Patients**

N. V. Pakhomova

Ph.D. of Medical Sciences, Associate Professor of the Department of Surgical Dentistry and Oral Surgery

Co-authors: N.V. Kalakutsky

Dr. habil, Professor

O. U. Petropavlovskaya

Ph.D. of Medical Sciences, Associate Professor, Head of the Department of Surgical Dentistry and Oral Surgery

A. I. Yaremenko

Dr. habil, Professor, Pavlov University, Ministry of Health of Russian Federation, Department of Surgical Dentistry and Oral Surgery

12:55 – 13:20

### **Prevention of Febrile Neutropenia with G-CSF as an Integral Part of the Main Therapy**

A.V. Snegovoy

Dr. habil, Chairman of RASSC, Professor of the Department of Oncology of the Faculty of Postgraduate Education of the Federal State Budgetary Educational Institution of Evdokimov University

*(supported by Biocad; not accredited in NMO system)*

13:20 – 13:40

### **Prevention and therapy of hyperglycemia in patients receiving alpelisib therapy**

I. M. Kovalenko

Ph.D. of Medical Sciences, endocrinologist, Petrov National Medical Research Center, St. Petersburg

*(supported by Novartis; not accredited in the MNO system)*

13:40 – 13:55

### **Prevention and Management of Rash in Patients Receiving Alpelisib**

N.I. Polshina

oncologist of the Center of Outpatient Cancer Care of Loginov Center, Moscow Health Department

*(supported by Novartis; not accredited in the MNO system)*

13:55 – 14:20

### **New European guidelines for cardioncology 2022. Possibilities of modern cardioprotection**

V. A. Ionin

Ph.D. of Medical Sciences, Cardiologist, Associate Professor of the Department of Faculty Therapy, Pavlov University

14:20 – 14:30

### **Preliminary Outcomes of the Introduction of Sipping Form of Nutritional Support in Patients after Dental Surgery**

L. A. Akimochkina

Post-graduate student, Department of Surgical Dentistry, Evdokimov University

Co-authors: A. M. Panin

Dr. habil, Professor, Head of the Department of Surgical Dentistry

A. M. Tsitsiashvili

Dr. habil, Professor, Professor of the Department of Surgical Dentistry

K. G. Gurevich

Dr. habil, Professor, Professor of the Russian Academy of Sciences, Head of the Department UNESCO "Healthy Lifestyle is the Key to Successful Development"

E. I. Karamysheva

Dr. habil, Professor, Professor of the Department of Pharmacology

14:15 – 14:35

**Special Aspects of Clinical Presentation of Jaws Osteoradionecrosis**

O. N. Titova

Ph.D. of Medical Sciences, Assistant of the Department of Maxillofacial Surgery and Traumatology, Evdokimov University, Ministry of Health of Russian Federation

Co-author: V. V. Afanasiev

Dr. habil, Professor, Honored Doctor of the Russian Federation, Head of the Department of Oral Surgery and Traumatology, Evdokimov University, Ministry of Health of Russian Federation, Department of Oral Surgery and Traumatology

14:35 – 14:45

**Questions and answers**

14:30 – 14:45

**Discussion**

14:45 – 15:10

**COFFEE-BREAK**

15:10 – 16:40

**Rehabilitation in Oncology**

Chairman: A. M. Stepanova

Ph.D. of Medical Sciences, Oncologist, PM&amp;R Doctor, Head of the Department of Medical Rehabilitation, Hertsen Scientific and Research Oncological Institute – a branch of National Medical Research Center for Radiology, Ministry of Health of Russian Federation

15:10 – 15:30

**Role of Nutritional Support in Medical Rehabilitation of Oncological Patients**

A. M. Stepanova

Ph.D. of Medical Sciences, Oncologist, PM&amp;R Doctor, Head of the Medical Rehabilitation Department of Hertsen Scientific and Research Oncological Institute – a branch of National Medical Research Center for Radiology, Ministry of Health of Russian Federation

15:30 – 15:50

**Role of Nutritional Support in Patients Receiving Chemotherapy**

A. P. Degtyarnikova

high level certificate physician, Zabaikalsky Regional Oncologic Dispensary

15:50 – 16:10

**Opportunities of Surgery in Postmastectomy Lymphedema Treatment**

I. V. Orlova

Ph.D. of Medical Sciences, Senior Scientific Researcher, Scientific Advisory Department of the Blokhin National Medical Research Oncology Center, Ministry of Health of Russian Federation (Russia, Moscow)

15:10 – 16:20

**Immunotherapeutic Support of Cancer Patients**

Chairman: L.U. Grivtsova

Dr. habil, Head of Laboratory of Clinical Immunology of Tsyba Medical Radiological Research Center – a branch of National Medical Research Center for Radiology, Ministry of Health of Russian Federation (Obninsk, Russia)

15:10 – 15:30

**Immunotropic Therapy as an Accompanying Therapy in Cancer Patients**

L.U. Grivtsova

Dr. habil, Head of Laboratory of Clinical Immunology of Tsyba Medical Radiological Research Center – a branch of National Medical Research Center for Radiology, Ministry of Health of Russian Federation (Obninsk, Russia)

15:30 – 15:50

**Dendritic Cell Vaccines, Opportunities and Prospects in Oncology**

G. Z. Chkadu

Ph.D. of Medical Sciences, Senior Scientific Researcher, Blokhin National Medical Research Center of Oncology, Ministry of Health of Russian Federation

15:50 – 16:10

**Adaptive Immunotherapy with Cytokine-Activated Lymphocytes in Accompanying Therapy of Cancer Patients**

I. A. Pasova

Allergist-immunologist, Tsyba MRRC – a branch of the National Medical Research Center for Radiology, Ministry of Health of Russian Federation

16:10 – 16:30

**Group Psychological Work as a Form of Rehabilitation**

A. A. Kan

Clinical psychologist, oncopychologist, expert of the Association of Cancer Patients "Hello!", member of the Russian Society of Clinical Oncology (RUSSCO), member of the Russian Society of Supportive care in Oncology (RASSC), member of the Association of Professional Participants in Hospice Care, expert of the Konstantin Khabensky Charitable Foundation (Russia, Moscow)

16:30 – 16:40

**Questions and answers**

16:40 – 17:50

**Dermatological Complications**

Chairman: A.V. Michenko

Ph.D. of Medical Sciences, Associate Professor of the Department of Dermatovenereology and Cosmetology FVE Central State Medical Academy of the Directorate of the President of the Russian Federation, Member of the Board of the International Society of Dermatology (Russia, Moscow)

16:40 – 17:00

**Rashes during Targeted and Immune Therapies: Management Tactics and Early Diagnosis of Life-threatening Conditions**

A.V. Michenko

Ph.D. of Medical Sciences, Associate Professor of the Department of Dermatovenereology and Cosmetology FVE Central State Medical Academy of the Directorate of the President of the Russian Federation, Member of the Board of the International Society of Dermatology (Russia, Moscow)

17:00 – 17:20

**Challenging Questions of Supportive Care in Patients with Skin Toxicity: Clinical Guidelines vs Real Clinical Practice**

E. A. Shatokhina

Dr. habil, Professor of the Department of Dermatovenereology and Cosmetology of the Central State Medical Academy of the Directorate of the President of the Russian Federation, Senior Scientific Researcher of the Medical Research and Educational Center of Moscow State University

17:20 – 17:40

**Role of Dermatocosmetics in Management of Patients with Dermal Toxicity**

L.S. Kruglova

Dr. habil, Professor, Vice-Rector for Academic Affairs, Head of the Department of Dermatovenereology and Cosmetology of the Central State Medical Academy of the Directorate of the President of the Russian Federation

(supported by La Rosh - Posey; not accredited in the NMO system)

16:10 – 16:25

**Questions and answers**

16:25 – 17:35

**Vascular Complications and Ways of their Prevention**

Chairman: D.S. Bikkulova

Dr. habil, Professor, Anesthesiologist-Resuscitator, Department of Palliative Pediatrics, Pirogov University, Chief Researcher of Rogachev National Medical Research Center, Ministry of Health of the Russian Federation

16:25 – 16:45

**Choice of Vascular Access for Chemotherapy in Malignant Neoplasms in Adults**

D. S. Bikkulova

Dr. habil, Professor, Anesthesiologist-Resuscitator, Department of Palliative Pediatrics, Pirogov University, Chief Researcher of Rogachev National Medical Research Center, Ministry of Health of the Russian Federation

Co-authors: A. V. Snegovoy

Dr. habil, Chairman of RASSC, Professor of the Department of Oncology of the Evdokimov University

I. B. Kononenko

Ph.D. of Medical Sciences, Executive Director of RASSC, Head of the Day Patient Department of Drug Treatment of Tumors, Lopatkin Institute of Urology and Interventional Radiology – a branch of National Medical Research Center for Radiology, Ministry of Health of Russian Federation, Moscow

16:45 – 17:05

**The Use of Long-Lasting Venous Access Systems in Oncology Experience of the Republican Clinical Cancer Dispensary of the Ministry of Health of the Republic of Bashkortostan**

A. F. Nasretdinov

Head of the Oncology Department#2 of Antitumor Drug Therapy, Oncologist, Republican Clinical Cancer Dispensary (Ufa)

17:40 – 17:50

**Questions and answers**

17:05 – 17:25

**The Concept of Venous Access Scientific  
Advisory Department of the Blokhin  
National Medical Research Oncology  
Center, Ministry of Health of Russian  
Federation**

U.V. Buydenyuk

Dr. habil, Professor, Senior Research Scientist, Laureate of the State Prize of the Russian Federation in Science and Technology, Certified Specialist in Anesthesiology-Resuscitation, Oncology, Interventional Radiologist Blokhin National Medical Research Center of Oncology, Ministry of Health of Russian Federation

17:25 – 17:35

**Questions and answers**

17:50

**CLOSING OF THE SYMPOSIUM**
